

Directions for Google Classroom

Step 1: Go to google.com and *sign in with your child's google account.*
I emailed a paper with various login information for your child when we started remote learning. I still have those papers if needed.

Step 2: You can either go to classroom.google.com or you can click on the array at the top right and find classroom (picture of a chalkboard).

Step 3: Select the plus sign at the top right.

Step 4: Select join a class.

Step 5: Put in classroom code 5lli5cv (the 2 l's are l as in lion) and press join. Once you put the code in you will never have to do it again! The classroom will always be there.

Step 6: The following codes are for the special area teachers:

Mrs. Hadley: suzime4

Mr. Williams: aeyorfn

Mrs. Ziegler: j7emhcg

Mr. Brennan: xromksv

Ms. Swomiak: t34sg30
