

# Lacey Boys Lacrosse

The traditions of the Lacey Boys Lacrosse program and legacy of excellence continues today. As a program we will collectively and individually maintain the same principle core values. From the ground level up, we will honor the code of aggressive play with sportsmanship and respect for our opponents and the officials who rule the game.

## **Expectations:**

### Administrative

1. Show up on time  
what is right
2. Pay attention  
your very best
3. TRY  
others the way you want to be

### Character

1. Do
2. Do
3. Treat

treated

**Remember Your Priorities:** Family  
School  
Lacrosse

## Cuts

Base on the amount of equipment, field space, and number of coaches it will be necessary for us to conduct a tryout process. Unfortunately not all of you will make the team. Please do not take this personally. If you do not make the team it just means there are some areas of improvement that you must work on and we encourage you to try out again next year.

## Attendance

Attendance at all men's lacrosse functions is mandatory. An absence is only excused by a parent or doctor's note that identifies the reasons the player cannot attend. This must be done prior to the absence. An injury does not preclude you from attending lacrosse related activities. If you are injured you are still expected to attend practices and games. Unexcused absences result in the following penalties:

- 1<sup>st</sup> offense – 2 quarter suspension
- 2<sup>nd</sup> offense – 1 game suspension
- 3<sup>rd</sup> offense – dismissal from the team

## Varsity vs. Junior Varsity Participation

Only those players who play in more than 50% of the varsity games will be eligible to earn a varsity letter. All players who start and complete the season will earn a certificate

of participation.

### **Facilities/Equipment**

Players are responsible for maintaining equipment, locker room, and field space cleanliness and safety at all times. Players are financially responsible for any equipment or facility damages that do not occur as a direct result of team organized functions.

*\* Any extenuating circumstances that are not addressed in these expectations or this meeting fall under the head coach's decision making authority.*
