1. ADOPTION OF THE AMENDED TENTATIVE BUDGET FOR 2025-2026 SCHOOL YEAR

MOTION: Application Submission – Additional Expenditures and Tax Incentive Aid

WHEREAS, in the proposed FY2026 State Budget, certain districts have the opportunity to apply to the Commission of Education to increase expenditures, including an allocation of Tax Levy Incentive Aid, in order to satisfy the thoroughness and efficiency standards established pursuant to N.J.S.A. 18A:7F-46, and

WHEREAS, based on the information provided by the New Jersey Department of Education, Lacey Township is below local fair share and spending below adequacy to be eligible to participate in this program, and

WHEREAS, Lacey Township is eligible to increase expenditures by up to \$17,541,395 and qualify for Tax Levy Incentive Aid in the amount of up to \$877,070, and

WHEREAS, Lacey Township is requesting to increase expenditures by \$2,837,051 and qualify for Tax Levy Incentive Aid in the amount of \$135,098, and

WHEREAS, General Fund Expenditure Budget as proposed is \$73,342,557, which is an increase of 2.84% from the prior year budget (10-year average increase is 1.11% when comparing original budgets to original budgets), and

WHEREAS, a large portion of the increases are attributable to projected cost increases in health insurance, transportation, utility costs insurances and special education, etc; and

WHEREAS, the Lacey Township School District is requesting the approval to increase expenditures based on the following reasons to maintain 39 teaching positions.

WHEREAS, during the last ten years the Lacey Township School District has utilized all allowable increases under the School Funding Reform Act and S2; and

WHEREAS, Lacey Township School District requires additional funding to satisfy the increased cost and projected expenditures related to health care, insurance, utility, special education and transportation costs; and

WHEREAS, despite the latest Taxpayers' Guide to Education Spending (2024) demonstrating that Lacey Township School District already has one of the lowest comparative cost per pupil in the state for districts with 3500+ students, the district is not seeking an increase in expenditures above the amount already proposed in the submitted 2025-26 tentative budget, but rather the district is seeking a funding solution for the \$2,837,051 necessary to cover those proposed expenditures, which are necessary for a thorough and efficient education, and to qualify for Tax Levy Incentive Aid in the amount of \$135,098, and

WHEREAS, the New Jersey Department of Education is proposing capping state aid losses at 3%, and state aid gains at 6% for the 2025-26 budget cycle, thereby acknowledging the need for ‘guardrails’ when there are significant changes in state aid allocations from year to year, and such guardrails have been necessary in districts like Lacey Township School District for many years, therefore, if Lacey Township School District’s aid losses were capped at 3% annually and applied retroactively beginning with the 2020-21 school year, this would result in a state aid adjustment of \$10,649,520 for the 2025-26 budget cycle (the district is not seeking retroactive funding prior to the 2025-26 budget cycle), which would provide a sustainable funding solution to address the district’s projected revenue shortfall for the 2025-26 school year, and

WHEREAS, by approving this resolution, the Board of Education is seeking the authority to increase the tax levy by \$2,837,051, as this solution is necessary for the Chief School Administrator (CSA) to balance the 2025-26 proposed budget and provide a thorough and efficient education, and

WHEREAS, by approving this resolution, the Board of Education is **NOT** authorizing a \$2,837,051 tax increase and will continue to explore and exhaust all opportunities to recover lost state aid, but is simply approving the submission of the application for authorization to do the same and to request Tax Incentive Aid, and

THEREFORE, the Lacey Township School District Board of Education is approving the submission of this application to the Commissioner of Education.
