Re: Subscription Busing

Dear Parent/Guardian of Students in Grades 7 - 12,

As we prepare for the opening of schools, I draw your attention to some important information from the Office of Student Transportation.

## **Subscription Busing**

In September 2017, the Lacey Township School District discontinued providing free transportation to students in **grades 7 through 12 who reside within the designated walking zone**. However, those students became, and remain eligible for the Subscription Busing Program.

To view the designated walking zones, please open the link below:

Viewable Map - [Designated Walking Zone Map for Middle School and High School](#)

The [application](#) for subscription busing can be found on the District website, under Departments & Programs, then Transportation. An application is required for each child.

The annual fee for the Subscription Busing Program is as follows:

- \$180 per student (\$360 max. per family)
- \$90 per student (\$180 max. per family) Families eligible for Reduced National School Lunch Program
- \$45 per student (\$90 max. per family) Families eligible for Free National School Lunch Program

Payment is due at time of registration by using the PaySchools Central website or payment to LTBOE at the address below. Bus pickup/drop off times and location will be available through the Parent Portal once it is opened for the school year.

Sincerely,

Patrick S. DeGeorge
