**New Policy/Regulations for Review and/or Discussion:**

- P 5337 - Service Animals - New

*Title II of the Americans with Disabilities Act (ADA), as amended by the ADA Amendments Act of 2008, requires public school districts to permit the use of service animals by individuals with disabilities who require such support. Policy Guide 5337 has been revised to include N.J.S.A. 18A:46-13.3 "Permitted Access for Service Animals." This New Jersey statute outlines the requirements addressing service animals in schools. The language in the statute is consistent with Federal rules regarding service animals; however, Strauss Esmay believes it is important to incorporate the State law where appropriate. Policy Guide 5337 is recommended to provide guidance to a Board if a request is made to utilize a service animal on school grounds. Policy Guide 5337 is **RECOMMENDED**.*
